* Special group discount (5 participants or more) is available for critical care units, hospitals and societies, please contact the congress office.

Full congress fee includes:
- admission to scientific sessions and exhibition
- abstract book and congress bag
- welcome reception on Thursday 10th of November 2005
- coffee, tea and lunch during the breaks

One day congress fee includes:
- admission to scientific sessions and exhibition
- abstract book and congress bag
- coffee, tea and lunch during the breaks

REGISTRATION

There are two ways to register for the congress:
1. Electronically via the registration form at the congress website: www.efccna2005.org
2. By filling out the enclosed registration form and mail or fax this form to congress office.

Cancellation of registration:
- Before 1st of July 2005: 80% of the fee will be refunded
- Between 1st of July and 30th of September 2005: 60% of the fee will be refunded
- From 1st of October 2005: no refund

All cancellations must be made in writing to PAOG Course and Congress Organisation.

ACCOMMODATION

The official housing bureau, Keytours Holland, has reserved hotel rooms at special congress rates. All hotels have a good connection by public transport to the Meervaart Congress Centre. As the demand for hotel rooms is high in Amsterdam, we would like to advise you to arrange your hotel accommodation well in advance. Further information is available on the website www.efccna2005.org or contact the PAOG Course and Congress Organisation.

VENUE AND ACCESSIBILITY

The Meervaart Congress Centre: The address is Meer en Vaart 300, Amsterdam. For more details please visit www.meervaart.nl The Meervaart is easily accessible from the city centre by tram number 1 or 17. Bus line 192 has direct connection between the Meervaart and Schiphol Airport. For more details please visit www.gvb.nl

Accessibility: Amsterdam Schiphol Airport has direct scheduled connections to 205 cities by 90 airlines. Train and motorway links to Amsterdam are excellent.

Disclaimer: The local Organising Committee and the PAOG Course and Congress Organisation accept no liability for personal injuries or loss, of any nature whatsoever, or for loss or damage to property either during or as a result of the congress.

FINAL ANNOUNCEMENT

2nd Congress of the European federation of Critical Care Nursing associations

Delivering critical care across the lifespan: meeting the challenges

10th - 12th of November 2005
Amsterdam, The Netherlands
INVITATION

Dear colleagues and friends,

On behalf of the European federation of Critical Care Nursing associations (ECCNA) we have great pleasure of inviting you to attend its second congress on advances and developments in the field of critical care nursing. The congress will be held in the Meervaat congress centre, Amsterdam, The Netherlands, from 10th – 12th of November 2005.

The congress theme, delivering critical care across the lifespan: meeting the challenges aims to address the key issues for critical care nurses engaged in caring for patients across the continuum of life, starting with birth through to the elderly. Additionally, the content is sure to stimulate and provoke debate between nurses about how to best respond to the challenges of delivering individualised, high-quality, evidence based care to a broad range of age groups.

The quality of the scientific programme coupled with distinctive ambience, culture and vibrancy of the city of Amsterdam are all the necessary ingredients for a truly memorable experience.

We are looking forward to welcoming you in Amsterdam.

Jos Latour, Chairman
International Organising Committee

John W. Albarran, Chairman
International Scientific Committee

12:45 – 14:00 Lunch, Exhibition & Posters

The experience of sleep in intensive care unit: E. M. Onderdend, Norway

Experiences of nurses interacting with foreign-language patients and their relatives in intensive care units: F. Luck, Switzerland

Enduring chaotic suffering: imaginations of close relatives confronted with brain death: I. Frid, Sweden

Introduction of a nurse implemented sedation protocol reduces sedative prescription: T. van Galen, Netherlands

12:45 – 14:00 Lunch, Exhibition & Posters

Music Therapy and Survival in the ICU: A. Bengsinni, Italy

Sedation: Intensive care patients’ experience of analgesic and sedative therapy over time: A. Stenendal, Norway

Clinical advice in the care of patients with post-operative confusion in the light of three nursing theories: a collaboration between psychiatry and intensive care: E. J. Horstedna, Sweden

Children with severe meningococcal infection: the Danish consensus guidelines for nursing practice: J. W. de Valk, Netherlands

Communication experiences with intubated patients in ICU: A. Yawa, Turkey

16:20 – 16:40 BIS monitoring to improve sedation strategies in PICU: Irene Lata, Netherlands

16:40 – 17:00 Assessing the depth of sedation on the PICU using Bispectral index and the abbreviated Comfort Scale: a correlation research: L. Bakker, Netherlands

19:30 Social Evening

Sepsis in Critical Care

Critical care competencies:

- Patients’ Experiences in ICU
- Family and Resuscitation

Sessions

- Mechanical ventilator treatment: patient experiences
  - A. Yava, Turkey
- Implementation of the COBFORM behavior scale for assessing pain in infants and children in ICUs
  - P. van Derventur-Brunner, Netherlands
- The effect of deep tactile - kinesthetic stimulation method on weight gain of low birth weight infants
  - M. Golchin, Iran
- ECMO: organising complex care
  - J. Scholes, UK

Lunch, Exhibition & Posters

Coffee Break, Exhibition & Posters

Sessions

- Developing a research based plan of care for patients who undergo prolonged ventilation post cardiac surgery
  - E.M. Gough, UK
- NICU: a success story?
  - Three key-speakers t.b.a
- The impact of nurse-directed protocolised weaning on nursing practice in the UK
  - B. Blackwood, UK
- The development of guidelines for nursing patients in a prone position in an Australian ICU
  - R. Vanderheide, Australia

Coffee Break, Exhibition & Posters
